

Bequests

Please think about making a bequest to your church by asking your solicitor to add a codicil to your will. They will know the appropriate words. Your bequest may not seem a vast sum, but it can make all the difference.

Bequests have greatly assisted our ministry in recent years. Vestry is most appreciative of bequests to the parish because these valuable funds have enabled us to maintain and upgrade the parish plant so that new generations can be welcomed to the church and taught the faith. Thank you to those who have made provision in your wills for the ministry needs of the parish.

- It's never too soon to include a bequest to your church but one day it will be too late!
- You may talk in confidence about this matter to the vicar or any of the wardens.

Your gift will be appreciated by generations to come.
